

The 4th Root Race of Globe D

At the start of the 1st Race called Hyperboreans, all of the senses were one. In Greek mythology, the Hyperboreans were a mythical people who lived in the far northern part of the known world. Their name appears to derive from the Greek ὑπὲρ Βορέα, "beyond Boreas" (the God of the North Wind), although some scholars prefer a derivation from ὑπερφέρω ("to carry over").

Despite their location in an otherwise frigid part of the world, the Hyperboreans were believed to inhabit a sunny, temperate, and divinely-blessed land. In many versions of the story, they lived north of the Riphean Mountains, which shielded them from the effects of the cold North Wind. The oldest myths portray them as the favorites of Apollo, and some ancient Greek writers regarded the Hyperboreans as the mythical founders of Apollo's shrines at Delos and Delphi.

At the 2nd Race called The sweat born. This race was Ethereally Astral with all senses as one. Slowly speech and sight evolved.

At the 3rd Race the touch sense evolved. Use will power to produce children.

With The Lemurians speech and sight evolved. In her 1888 work Secret Doctrines, Blavatsky claimed that Lemuria was the home of one of several "Root Races" that eventually gave rise to humanity, and that the remains of the continent existed today as Australia and surrounding islands—already, the gradual drift of legendary Lemuria had begun. With the Lemurians speech and sight evolved.

The 4th root race began 18 Million Years Ago in the middle of the Lemurian (3rd Root) civilization. The gigantic continent extended over the Atlantic ocean, Both humans and beast were enormous. Humans ranged between twenty to 27 feet tall. It was the degenerate Atlantean descents who build the 1st Egyptian pyramids. The 3rd eye was active during the 1st half of Atlantean history. That is from the 4.1 through the mid-point (3.5 of the 4th) The 3rd eye gave them command over many of the finer forces of mother nature. Then the 3rd eye began to withdraw into the Atlantean brain and over time became the pineal gland by the end of their race. But even these antediluvian giants or demigods fell into social strife with one another. H.P.B. Says; "the strife will be terrible in any case, between the brutal materialism and blind fanaticism on the one hand, and the philosophy and mysticism on the other. (*The Theosophical Path September 1911*) By the end of the Mid-point (3.5 of the 4th) cycle a large majority of Atlantean deliberately elected to put their powers to unholy or selfish uses. Very slowly over time the Atlantean separated into two main groups: those who sought to obtain mastery over themselves and the evil sorcerers magicians who sought to subjugate others to their will. However, the evil sorcerers became the slaves to the lower forces of nature.

At the 1/3 rd point of the Atlantean race: the Species Barrier Arises. Humans and animals could no longer produce offsprings.

At the 2/3 rd point of the Atlantean race: War between White magicians and Evil Atlanteans sorcerers. King Thevetat perfected the rule of evil. When a large group of Atlanteans turned to evil, Thevetat appeared to guide them. Had they chose otherwise, King Thevetat would have been helpless. But this was not the case, King Thevetat succeeded in producing a race of Atlanteans sorcerers. When the time came for the sorcerers to pass, a cycle of cataclysm wiped them off the face of the earth, The cycles of cataclysm started in the Miocene Age With the vast Island of Ruta sinking around 850,000 years ago. This was Followed by the smaller Island of Daitya sinking around 270,000. Then finally, the sinking of the last Island of Poseidonis 11,000 years ago. It is upon the many Atlanteans

cataclysms that the biblical flood of Noah and Sumerian Gilgamesh flood is based. There were Atlanteans who sought to obtain mastery over their personalities by way of service and sacrifice to others. These “sons of light” escaped the dying agony of Atlantis and traveled to an island north of the Himalayan mountains. It was this group of refugees who would in time become the Aryan race along the Ganges river in India and other locations around the earth.

At the 3/3 rd point of the Atlantean race: During this last cycle of Atlantis warfare broke out between the new born Aryan races and remnants of the last Atlantean Race. Over time from the Aryan races living along the Ganges river in India, the Hindu race was born. It was the Tchandalas Tribe of India that the Jewish race was born.

At the 5th race or Aryan Race in India along the Ganges river.

Note well: psychic abilities, telepathic powers and etheric vision evolve then DE-evolve during each full round root race and its sub-cycles races.
